

CEO & Co-Founder, Versatil

Sylvie Ouellette is the President & Co-founder of Versatil, an IBM Platinum Business Partner with core competencies in analytics, artificial intelligence (AI) and cyber security. Versatil is a proud Women, Indigenous and 2SLGBTI+ owned company, certified by WBE Canada, CCAB, CAMSC and CGLCC. Recognized for being a creative thinker and a change agent for organizations, Sylvie is a highly energetic and result-oriented professional with over +25 years of experience in Information Technology (IT) and digital transformation.

At Versatil, she enjoys helping organizations take advantage of IT solutions to provide greater insight for better and faster decision-making. Before Versatil, Sylvie has held several senior executive positions, including IT Director, VP of Finance & Shared Services, Global Process Owner, and Global Business Performance Leader in large corporations, such as General Motors (GM), Electronic Data Systems (EDS) and Hewlett Packard (HP). She holds a bachelor's degree in business administration from the Université de Sherbrooke, a Higher Diploma in International Business from Leeds Beckett University in England, and an MBA from the Université du Québec in Outaouais.
